To Whom It May Concern;

It has been my pleasure to work with Jeff Gonzer, in his capacity as Program Director of Dial-Global's "Adult Rock 'n' Roll" programming service, since my arrival here at WRLF in January of 1996.

Jeff's ability to merge his local affiliates' needs and wants into a national format that always sounds "local" is impressive. Through his constant attention to details, and his open-door policy of communication, he has guided WRLF to ratings success that might not have been possible without his efforts.

On top of his outstanding managerial skills, his four-hour airshift has been one of our cornerstones in the quality sound of WRLF.

I hope to get the opportunity to work with Jeff again, and wish him only the best of luck.

Sincerely,
